

## **Divorce 101**

Welcome to Divorce 101. This video is intended to give you a general overview of the typical issues that can develop in a divorce case. If you wish to watch it in its entirety please stay here with me at this time and we will take you through the subjects' one at a time. If you are more particularly interested in a given subject, such as child support or equitable distribution, you can go to the practice area section of the website and watch just the portion of the video related to that particular subject. No matter which of the videos you watch or the other information you gain from our website you are still going to have questions about your particular circumstances and case. Please call the Law Firm for Family Law to schedule your free initial consultation to meet with me to discuss the particulars of your situation. Thanks again for visiting our website and we hope you find this information useful.
